Calhoun Falls.

In company with more than a hundred of our citizens, we went down to Calhoun Falls last Friday to attend the first auc-tion sale of lots advertised to take place that day by the Western Carolina Land and Improvement Company of this city.

The morning was cloudy and threatening rain, but the clouds soon disappeared and the day was a most delightful one. In addition to the train from Anderson, a special was run from Augusta, and from Greenwood over the Georgia, Carolina & Northern Road. The crowd numbered five or six hundred people, and was com-posed of citizens from all the neighboring counties in Georgia.

As is well known the town site is located at the crossing of the Savannah Valley and the Georgia, Carolina & Northern Roads, and lies in what is known as the "Flat Woods" section of Abbeyille County. It is a very pretty location, and is sur-rounded by some of the richest farming lands in the State. A very neat and sub-stantial depot has already been erected by the latter named Road. J. Frank Gambrell has invented a cotton chopper that looks like it will do the work. We did not see it at work, but Mr. Gambrell says that it will chop it out ten inches apart, which will be a great saying to the old fashion hoe.

We will announce the date of the pic nice at Erwin's Mill next week. We expect it will be the 8th or 9th of May. No definite day has been decided on at this writing, but we will have the plenic sure.

Fine rains greeted the farmers last week; they are moving right ahead with their work; planting will soon be finished, and in a few more days farmers will not know they were ever behind. The area of grain in this community is small, but what there is looks very prom-ising. Mr. Mr. L. E. Hall feels satisfied he will reap twelve, to one of sowing.
